www.christian-hospitality.com

The **CHI Christian Hotels/Hospitality International** folder is aimed at presenting christian hotels, guesthouses, youth centres, retreat centres and camp sites.

CHI Christian Hotels International is working to establish a world wide directory of christian hotels.

The ACH / VCH HOTELS

Christian Hotels International was originally the Association of Christian Hotels (ACH) which was founded in 1895 in Switzerland. The Verband Christlicher Hotels (VCH) is the German form of the name. The Association has several European countries as members.

For more than a century the ACH/VCH hotels have been known for their hospitality, friendliness, excellent service and comfort.

CHI – a new direction

During the annual meeting of ACH in Basel in march 2008 it was decided that the association shall work to include new countries on a world wide basis. One of its first goals is to establish a world wide directory of christian hotels. This developement is to carried out under the name:

CHI-Christian Hotels International / Christian Hospitality International

We will continue and expand the tradition of hospitality established by ACH / VCH Hotels.
